“PSIHOLOŠKO I INFORMATIVNO OSNAŽIVANJE OSOBA OŠTEĆENOG VIDA”

Naziv implementatora: NVU “Organizacija slijepih za Pljevlja i Žabljak”

Lokacija: Opština Pljevlja

Korisnici: 178 Osoba potpunog i djelimičnog oštećenja vida

Opis projekta: Glavni cilj projekta je psiho-socijalno i informativno osnaživanje osoba oštećenog vida. Specifični cilj projekta je jačanje mentalnog zdravlja i socijalne inkluzije osoba oštećenog vida kroz psiho-socijalne radionice, kao i zaštita ove grupacije od diskriminacije u oblasti informisanja.

Ciljna grupa čine osobe potpunog i djelimičnog oštećenja vida i projektom je obuhvaćeno 130 direktnih korisnika. Ključne aktivnosti na projektu podrazumjevaju psiho-socijalnu podršku osobama oštećenog vida, izdavanje časopisa na Brajevom pismu, i izdavanje časopisa za slabovidne.

“PSYCHOLOGICAL AND INFORMATIVE EMPOWERMENT OF VISUALLY IMPAIRED PEOPLE”

Name of implementer: NGO “Organization of the Blind for Pljevlja and Žabljak”

Location: Municipality of Pljevlja

Beneficiaries: 178 Persons with complete and partial visual impairment

Project description: The main goal of the project is psycho-social and informative empowerment of visually impaired people. The specific goal of the project is to strengthen the mental health and social inclusion of visually impaired people through psycho-social workshops, as well as to protect this group from discrimination in the field of information.

The target group consists of people with complete and partial visual impairment and the project includes 130 direct beneficiaries. Key activities on the project include psycho-social support for the visually impaired, the publication of a Braille magazine, and the publication of a magazine for the visually impaired.
