SUPPORT OF CSOS IN EMPOWERING TECHNICAL SKILLS,  
INCLUSION OF PEOPLE WITH DISABILITIES AND EU STANDARDS  
IN SOUTH EAST EUROPE

## SERVIS SOCIJALNIH USLUGA PODRŠKE ZA ŽIVOT U ZAJEDNICI

Naziv implementatora: Organizacija slijepih za Bar i Ulcinj

Lokacija: Bar

Korisnici: 44 OSI – slijepe i slabovide osobe

Opis projekta: Opšti cilj projekta je podrška i povećanje socijalnih usluga slijepim i teže slabovidim osobama u svrhu podsticanja njihove socijalne inkluzije. Specifični ciljevi projekta su povećanje kapaciteta organizacije za efikasno upravljanje inicijativama socijalne inkluzije u cilju promocije i zagovaranja socijalne inkluzije slijepih i teže slabovidih osoba, u skladu sa standardima EU.

Ključne aktivnosti projekta su pružanje individualne podrške slijepim i teže slabovidim osobama, zatim rad društvenog kluba, seminar na temu "Samostalan život slijepih i teže slabovidih osoba", obuka na temu "Mobilitet i orijentacija", završna konferencija i promovisanje rezultata projekta.

## SOCIAL LIFE SUPPORT SERVICES FOR COMMUNAL LIFE

Name of implementer: Organization of the Blind for Bar and Ulcinj

Location: Bar

Beneficiaries: 44 PWDs - blind and partially sighted people

Project description: The general goal of the project is to support and increase social services for the blind and severely visually impaired people in order to encourage their social inclusion.

The specific objectives of the project are to increase the organization's capacity to effectively manage social inclusion initiatives in order to promote and advocate for the social inclusion of the blind and severely visually impaired people, according to the EU standards. The key activities of the project are providing individual support to the blind and severely visually impaired people, then the work of a social club, seminar on "Independent life of the blind and severely visually impaired", training on "Mobility and Orientation", final conference and promoting project results.
