OMOGUĆI – TI SOCIJALNU INKLUZIJU OSI U KOTORU

Naziv implementatora: Inicijativa mladih s invaliditetom Boke (I MI Boke)

Lokacija: Kotor

Korisnici: 100 OSI

Opis projekta: Opšti cilj projekta je doprinijeti socijalnoj inkluziji osoba s invaliditetom u Kotoru. Specifični cilj se odnosi na stvaranje preduslova za razvoj i pružanje usluga socijalne i dječije zaštite za OSI i članove njihovih porodica iz Kotora u periodu od 9 mjeseci u skladu sa njihovim realnim potrebama, a uz partnerstvo svih zainteresovanih strana i podršku javnosti.

Ključne aktivnosti projekta su istraživanje o potrebama OSI i članova/ica njihovih porodica iz Kotora sa uslugama socijalne i dječije zaštite, objavljivanje izvještaja, pružanje najpotrebnije usluge socijalne i dječije zaštite članovima/cama njihovih porodica iz Kotora, zatim kampanja javnog zagovaranja, kao i medijska i online kampanja. Na osnovu realizovanog istraživanja potrebama osoba sa invaliditetom identifikovano je da je najpotrebnija usluga za podršku za život u zajednici, odnosno pomoć u kući. Ovo uslugom je obuhvaćeno 10 korisnika u period od 4 mjeseca.

ENABLING SOCIAL INCLUSION OF PWDS IN KOTOR

Name of implementer: Initiative of young people with disabilities Boke (I MI Boke)

Location: Kotor

Beneficiaries: 100 PWDS

Project description: The general goal of the project is to contribute to the social inclusion of persons with disabilities in Kotor.

The specific goal is to create preconditions for the development and providing the social and child protection services for PWDS and their family members from Kotor in a period of 9 months in accordance with their real needs, and with the partnership of all stakeholders and public support.

The key activities of the project are research on the needs of PWDS and members of their families from Kotor with social and child protection services, publishing reports, providing the most needed social and child protection services to members of their families from Kotor, public advocacy campaigns, and media and online campaign. Based on the realized research of the needs of persons with disabilities, it was identified that the most necessary service is support for living in the community - help at home. This service covers 10 users in a period of 4 months.
