NAŠA ŠANSA

Puni naziv projekta: „Naša šansa“

Naziv implementatora: Klub specijalnih sportova Bakovići

Lokacija: Bakovići, Fojnica, BiH

Korisnici: 110 osoba s invaliditetom

Značaj projekta: Zahvaljujući projektu „Naša šansa“ unaprijeđena je kreativnost i neformalno obrazovanje na području umjetnosti i sporta kod 110 štićenika Javne ustanove Zavoda za zbrinjavanje mentalno invalidnih lica Baković i na taj način je urađen napredak prema njihovoj integraciji u društvo. Pojačano je psiho-fizičko zdravlje sudionika sportskih edukacija i podignut je natjecateljski duh korisnika putem treninga i sportskog događaja „Sport je in“. Javnosti je predstavljeno što su sve osobe s invaliditetom uradile tijekom projekta i da zaslužuju biti ravноправni članovi zajednice.

Ostvareni rezultati: Tijekom projekta realizirano je 16 radionica za izradu rukotvorina i crtanje na kojima je sudjelovalo 50 korisnika i na taj način unaprijedilo svoju kreativnost i znanje. Održane su sportske edukacije i treninzi u stolnom tenisu, biljaru, košarci, odbojci, nogometu i plivanju i tako se poboljšalo psiho-fizičko zdravlje kod 60 osoba s invaliditetom, te su se razvile njihove ključne kompetencije koje su im neophodne za njihovu integraciju u društvo. Organiziran je sportski događaj „Sport je in“, te su uređene prostorije kluba. Provedena je i medijska kampanja „Daj nam priliku – upoznaj nas“ putem web stranice, društvenih mreža i informativnih kanala i na taj način je promoviran projekt, te je javnost upoznata o mogućnostima osoba s invaliditetom.

OUR CHANCE

Project title: „Naša šansa“ („Our Chance“)

Name of implementer: Bakovići Special Sports Club

Location: Bakovići, Fojnica, BiH

Beneficiaries: 110 people with disabilities

Significance of project: Thanks to the project „Our Chance“, the creativity and non-formal education in the field of arts and sports was improved among 110 protégés of the Bakovic Institute for the Care of the Mentally Disabled, and thus progress was made towards their integration into society. The psycho-physical health of the participants in sports education has been strengthened and the competitive spirit of the users has been raised through training and the sports event „Sport je in“ ("Sport is cool"). What all people with disabilities did during the project was presented to the public, along with the fact that they deserve to be equal members of the community.

Achieved results: During the project, 16 workshops for making handicrafts and drawing were realized, in which 50 beneficiaries participated and in that way improved their creativity and knowledge. Sports educations and trainings in table tennis, billiards, basketball, volleyball, football and swimming were held, thus improving the psycho-physical health of 60 people with disabilities, and developing their key competencies necessary for their integration into society. A sports event "Sport is cool" was organized, and the club's premises were arranged. The media campaign „Daj nam priliku – upoznaj nas“ ("Give us a chance - meet us") was conducted through the website, social networks and information channels, and in this way the project was promoted and the public was informed about the possibilities of people with disabilities.
