IN SOUTH EAST EUROPE

SMANJENJE SOCIJALNE ISKLJUČENOSTI

Puni naziv projekta: „Smanjenje socijalne isključenosti kroz održivost radnih mesta lica s invaliditetom“

Naziv implementatora: Regionalno udruženje distrofičara Doboj

Lokacija: Doboj

Korisnici: 8 zaposlenika štamparije Regionalnog udruženja distrofičara Doboj

Značaj projekta: Zahvaljujući projektu povećana je kvaliteta štamparskih usluga, proširen je dijapazon usluga koje pruža štamparija, povećana je ekonomičnost poslovanja, te je smanjen škart i troškovi proizvodnje. Osigurani su preduvjeti za održivost osam radnih mesta za osobe s invaliditetom u štampariji Regionalnog udruženja distrofičara Doboj i promovirane su dobre prakse i važnosti ostvarivanja jednog od osnovnih ljudskih prava – prava na rad.

Ostvareni rezultati: Tijekom projekta unaprijedeni su tehnički kapaciteti i neophodni repromaterijal i oprema u svrhu osiguravanja funkciranja lanca proizvodnje i dorade proizvoda unutar štamparije u cilju pružanja kvalitetne i kompletne usluge. Lokalne vlasti su upoznate s projektom i ciljem projekta koji se odnosi na kampanju za 20% zagarantiranih poslova. Održana su tri radna sastanka s predstavnicima vlasti na temu pronalaženja načina za poštivanje i dobivanje 20% poslova od strane institucija i poduzeća s područja grada Doboja, te sam značaj održivosti socijalnog poduzeća štamparije. Sam gradonačelnik Doboja je skrenuo pažnju javnosti na poštivanje Zakona o profesionalnoj rehabilitaciji osposobljavanju i zapošljavanju lica sa invaliditetom, a u sklopu projekta je poslano 59 Ugovora o 20% poslova za štamparske I grafičke usluge. Urađena je medijska promocija socijalnog poduzetništva putem medija i promotivnog materijala s ciljem podizanja svijesti zajednice o mogućnostima i pravima osoba s invaliditetom, te značaju njihovog zapošljavanja i društveno odgovornog poslovanja u zajednici.

REDUCING SOCIAL EXCLUSION

Project title: „Smanjenje socijalne isključenosti kroz održivost radnih mesta lica s invaliditetom“ („Reducing social exclusion through the sustainability of jobs for people with disabilities“)

Name of implementer: Regional Association of Dystrophic Persons Doboj

Location: Doboj

Beneficiaries: 8 employees of the printing house of the Regional Association of Dystrophic Persons Doboj

Significance of the project: Thanks to the project, the quality of printing services has been increased, the range of services provided by the printing house has been expanded, business efficiency has been increased, and waste and production costs have been reduced. Preconditions for the sustainability of eight jobs for people with disabilities in the printing house of the Regional Association of Dystrophic Persons in Doboј have been provided and good practices and the importance of exercising one of the basic human rights - the right to work - have been promoted.

Achieved results: During the project, the technical capacities and necessary raw materials and equipment were improved in order to ensure the functioning of the production chain and finishing of products within the printing house in order to provide quality and complete service. Local authorities are aware of the project and the goal of the project related to the campaign for 20% of guaranteed jobs. Three working meetings were held with government officials on finding ways to respect and obtain 20% of jobs from institutions and companies in the city of Doboј, and the importance of the sustainability of the social enterprise of the printing house. The Mayor of Doboј himself drew the public's attention to compliance with the Law on Professional Rehabilitation, Training and Employment of Persons with Disabilities, and as part of the project, 59 Contracts on 20% of jobs for printing and graphic services were sent. Media promotion of social entrepreneurship through the media and promotional material was done in order to raise community awareness of the opportunities and rights of people with disabilities, and the importance of their employment and socially responsible business in the community.
