STUP SOCIJALNE UKLJUČENOSTI LUIS

Puni naziv projekta: „STUP socijalne uključenosti LUIS“

Naziv implementatora: Savez udruženja za pomoć mentalno nedovoljno razvijenim licima Republike Srpske

Lokacija: Republika Srpska

Korisnici: Korisnici 29 lokalnih udruženja lica umanjenih intelektualnih sposobnosti unutar Saveza MeNeRaLi

Značaj projekta: Realizacijom projekta „(ST)anovanje Uz Podršku“ STUP socijalne uključenosti LUIS“ unaprijeđene su vještine 29 lokalnih udruženja u sastavu Saveza za komunikaciju i rad u uslovima pandemije korona virusa, te su stvoreni preduslovi za daljnje zagovaranje uvođenja usluge STanovanja Uz Podršku u lokalnim zajednicama unutar Republike Srpske gdje je ova usluga potrebna Licima Umanjenih Intelektualnih Sposobnosti. Kao rezultat ovog projekta, nastala je brošura koja sadrži zakonodavni okvir, iskustva i preporuke stanovanja uz podršku za lica s intelektualnim poteškoćama.

Ostvareni rezultati: Tijekom projekta povećana je sposobnost 29 lokalnih udruženja za rad putem odgovarajućih online platformi za 98% putem edukacije o online alatima, načinima njihove primjene i zaštiti podataka na internetu. Povećana je sposobnost lokalnih udruženja za zagovaranje procesa deinstitucionalizacije u Republici Srpskoj. Pripremljene su brošure o modelima samostalnog življjenja za osoba s intelektualnim poteškoćama i provedena je online konferencija „STUP socijalne uključenosti LUIS“ gdje se članovima Saveza, predstavnicima javnih institucija i ostalih organizacija civilnog društva predstavio model stanovanja u zajednici i preporuke i koraci za uspostavljanje sličnog modela usluge u Republici Srpskoj. Organizirana je online kampanja putem Google i Facebook oglašavanja koja je bila usmjerena na udruženja za podršku licima s umanjenim intelektualnim sposobnostima u Republici Srpskoj, njihove roditelje i staratelje, te nadležne institucije i javne ustanove Republike Srpske. Kampanja je sadržala ključne poruke: stanovanja uz podršku – pravo izbora mesta stanovanja, kakav je zakonodavni okvir za uspostavljanje ove usluge u Republici Srpskoj i koje su usluge iz lokalne zajednice koje su na raspolaganju općoj populaciji.

STUP/PILLAR OF SOCIAL INCLUSION LUIS

Project title: „STUP socijalne uključenosti LUIS“ („STUP/pillar of social inclusion LUIS“)

Name of implementer: Alliance of the Association for Assistance to Mentally Underdeveloped Persons of Republika Srpska

Location: Republika Srpska

Beneficiaries: Beneficiaries of 29 local associations of persons with intellectual disabilities within the MeNeRaLi Alliance

Significance of the project: The implementation of the project „(ST)anovanje uz Podršku – Housing with Support) STUP of social inclusion LUIS“ improved the skills of 29 local associations within the Alliance for Communication and Work in the context of the corona virus pandemic, and created preconditions for further advocacy for the introduction of Housing with Support in local communities within Republika Srpska where this service is needed by Persons with Impaired Intellectual Abilities. As a result of this project, a brochure was created containing the legislative framework, experiences and recommendations for supported housing for people with intellectual disabilities.

Achieved results: During the project, the ability of 29 local associations to work through appropriate online platforms was increased by 98% through education on online tools, how to use them and data protection on the Internet. The capacity of local associations to advocate for the deinstitutionalization process in Republika Srpska has increased. Brochures on independent living models for people with intellectual disabilities were prepared and an online conference „STUP of social inclusion LUIS“ was held, where members of the Association, representatives of public institutions and other civil society organizations were introduced to the community housing model and recommendations and steps to establish a similar service model in Republika Srpska. An online campaign was organized through Google and Facebook advertising, which was aimed at associations for the support of persons with intellectual disabilities in Republika Srpska, their parents and guardians, as well as the competent institutions and public institutions of Republika Srpska. The campaign contained key messages: supported housing - the right to choose the place of residence, what is the legislative framework for the establishment of this service in Republika Srpska and what are the services from the local community that are available to the general population.
